ARTiST

PORTFOLIO MAGAZINE

This is it!

This is our 10 Year Anniversary Issue of Artist Portfolio Magazine. It has been an amazing ride and what an amazing showing of Artists and art we have in this issue.

We have Artists that have been with us since the beginning and we artists who are new to Artist Portfolio Magazine. From the seasoned professional Artist to the new emerging Artist; a very eclectic bunch. This is what I love about Artist Portfolio Magazine.

For our Anniversary Issue we broke it down into 5 volumes of art magazines, plus a master volume that contains all 5 volumes in 1.

Thank you to every Artist who has submitted their art to Artist Portfolio Magazine. Without art we have empty pages.
